DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE; FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years anding cured by DR. KEYSER'S PECTORAL SYRUP

Dn. Ksyski:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then cailed and got a dellar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine my self to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Perresumon, Nov. 18, 1858.

DR. Keyern:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Fectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly my that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

NURSING SORE MOUTH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and remaining the calm and sweetness, and your babe from short and remaining the calm and sweetness, and your babe from short and remaining the medical piscovery becomes a fountain of blessing to your husband and household.

In the more advanced stages of the move advanced stages y so prevalent.

Cashier Citizens' Dep

I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say it the best medicine for the same that I have ever taken.

J. W. PRIOR.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—Dr. Kryer —Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breaths more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. FRATT,

Messenger Common Council, Pittsburgh, May 11, 1859.

PATTEBURGH, April 24, 1857.

READ THE TRUTH.—DR. KEYSER: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTOBAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny.

A GREAT CURE BY DR. KEYSER'S PROTORAL SYRUP.—I live in Pechles township, Allegheny county. I had a conghing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the beat physicians in the country, and my cough continued unabaled until early in October. At that time I was advised to try your PROTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

JOHN C. LITTLE, Witness—B. M. KERR.

Peebles township.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the beet physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,

J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THAT GOUGHING."—How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Gough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the collequy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our salvent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of this of the step of the siege, we con pick our way to keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drouneville Chipper, Dec. 14, 1859.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well satabilished by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to estify a discerning public of its superior qualities over any other preparation in use. It cleanses the head and scalp from dandruff and other cutuneous diseases, causing the hair to grow lixuriantly giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will give atrength and vigor to the roots and restore the growth to hose parts which have become hald, causing it to yield a resh covering of hair.

strength and vigor to the roots and causing it to yield a resh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redsectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark glessy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator, can be dressed in any required form so as to preserve its place, whether planing in ourle; hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being Only Twenty-Five Cents

MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.
